A complete breakdown of the use of additional funds must be provided, to the total value of the advance requested. All cases, irrespective of loan purpose, will be required to pass the Society's income and affordability requirements.

LOAN AMOUNT AND PROPERTY VALUE

Minimum loan: £45,000. This may vary depending on the product terms selected.

Maximum loan: Repayment and Interest-Only loans up to £1,000,000 (refer to the Mortgage Desk if above this level) – 75% of the lower of vacant possession value. This may vary depending on the product terms selected.

Property value: The minimum property value we would consider is £75,000 in England and Wales.

MORTGAGE TERM

Minimum: 5 years.

Maximum: 40 years.

BORROWER AND STATUS

You must already be an owner occupier of your main residence and this status must be retained after completion of our mortgage. We must be satisfied that you are able to demonstrate a current mortgage track record (minimum 12 months). You must be either gainfully employed or have investment, pension or other income. Your income (single or joint) must cover a three month rental void and evidence to confirm this amount may be required.

Borrowing calculated as:

For remortgage applications where no new borrowing is being taken:

- **For loans up to 65%** of the property value or purchase price, whichever is lower: The loan amount is assessed on the basis that the monthly rent must exceed 130% of the interest payable per month*.
- **If we are to consider loans up to 75%** of the property value or purchase price, whichever is the lower: The loan amount is assessed on the basis that the monthly rent must be greater than or equal to 135% of the interest payable per month*.

* Calculated on the Society's Residential Investment Managed Mortgage Rate.

For purchase applications or remortgage where extra funds are being taken:

The loan amount is assessed on the basis that the monthly rent must be equal to or exceed 145% of the interest payable per month calculated at the higher of:

- The product's initial interest rate plus 2%; or
- The Society's monthly Residential Investment Managed Mortgage Rate.

Please note that for our Five Year Fixed Rate mortgages, it is calculated at the product's initial interest rate.

For remortgage applications to be considered, the property must have been owned for a minimum of six months.

For purchase applications we require a letter from a firm of professional letting agents giving an indication of the rental amount that can be achieved and the state of the local rental market.

For Limited Company applications, the loan amount is assessed on the basis that the monthly rent must exceed 125% of the interest payable per month.

PROPERTY

Properties must be of standard construction, in good condition and suitable for immediate letting. Properties must be situated in England or Wales and within predominantly residential areas.

All flats/maisonettes must be self-contained units. New-build flats, studio flats, ex-local authority flats, freehold flats and flats above commercial premises are not acceptable (however, see 'Properties above commercial premises' below). The number of storeys in any one block of flats must be no more than four, although it may be possible in Central London to exceed this figure. Leasehold flats/maisonettes are accepted subject to a minimum of 50 years unexpired remaining on the lease at the end of the mortgage term.

All new-build properties (apart from flats which we will not consider) and multiple applications must be referred for consideration. Before proceeding please contact our dedicated Mortgage Desk on **01372 744 155** or email: mortgage.desk@familybsoc.co.uk

The following property types will not be accepted: properties with more than one kitchen, properties let to students or properties where the property is to be rented to the current owner following completion (buy and rent back). We will not consider an application where the property is or is intended to be occupied by the borrower or a related person.

Properties above commercial premises

These can be considered subject to the valuer's comments. Specific consideration will be given to the location of the property and adjacent businesses. The property must be located in a desirable area with good demand and should be readily saleable. The proximity of the commercial use must not affect the quiet enjoyment of the property.

The property must be self-contained, having separate access, and must be on a separate title to the commercial premise. Properties which are over, adjacent to or in very close proximity to a café, restaurant, take-away, pub, bar, club or any property where the use is likely to cause a nuisance or which may involve hazardous materials will not be considered. The commercial premises must not be owned by the potential borrower as this would have legal implications in the event of repossession. This is not an exhaustive list and every case will be considered on its own merits. If you have any further questions on standard or non-standard construction, or if you are unsure about whether we will consider the type of property in question, please contact a member of our team.

TENANCIES

Diplomatic, University / College, Housing Association and Council lets will not be considered. There must be only one agreement which will be approved by the Society's solicitors or licensed conveyancers. Assured shorthold tenancies only are acceptable with the period for each tenancy not less than six months and not more than 12 months, except where the tenancy is to either a limited company, or to an individual(s) subject to a rent exceeding £100,000 per year.

Where the tenancy is to an individual(s) subject to a rent exceeding £100,000 per year, the lettings must not exceed one year or, exceptionally, two years. Rent must not be payable more than one month in advance without our prior approval.

In the case of a let to a limited company, occupation must be restricted to an employee of the company and his/her immediate family. The initial tenant must not be either related to the borrower or the unmarried partner of the borrower.

For tenancies that have commenced after 1 April 2018, the property should have an Energy Performance Certificate rating of 'E', or above.

INTEREST-ONLY MORTGAGES

All or part of the loan may be on an Interest-Only basis. As the monthly payments only go towards paying interest owed, you will need to make arrangements to repay the capital at the end of the mortgage term. Acceptable strategies for repayment of the capital include:

- Sale of mortgaged property
- Sale of other assets, e.g. second home, property, land, etc.
- Pension cash lump sum (personal or occupational)
- Stocks & shares ISA (new or existing)
- Cash ISA or NISA
- Unit trust (new or existing)
- Investment bond (new or existing)
- Endowment policy (new or existing)
- Stocks and shares.

IMPAIRED CREDIT

If you have an impaired credit history we may still consider your application. However, we will not consider if any of the following circumstances have occurred:

- Arrears on any mortgage, a credit arrangement such as a credit card, secured or unsecured loan within the last two years, where the cumulative amount overdue at any point reached three or more monthly payments
- One or more County Court Judgements (CCJs), with a total value greater than £500, within the last three years
- An ongoing Individual Voluntary Arrangement (IVA) or bankruptcy order at any time within the last three years
- Previous repossession/voluntary repossession.

Please contact a member of our team to discuss before proceeding.
